PROFESSIONAL SUMMERY

A dedicated Full Stack Developer and computer Science student with a focus on JavaScript, Python, React.js, Next.js, Django and RESTful API integration. At Stratcom as an interne, I gained skills in scalable web applications, high-quality code and collaborating with cross-functional teams. Currently pursuing a Bachelor's degree in Computer Science and informational technology., graduating in April 2025, I am driven to continuously improve through learning and hands-on experience in building full stack solutions.

SKILLS

1. Frontend Development

- JavaScript
- React.js
- HTML5 and CSS
- Responsive Web Design
- Frontend frameworks
- Browser Development Tools
- Tailwind css
- Next.js

2. Backend Development

- Django
- RESTful APIs
- Python
- SQL and NoSQL (MongoDB)

3. Development Tools and Practices

- Version Control (Git)
- API integration
- VSCode
- Linux
- Software Development lifecycle(SDLC)
- Object-Oriented Programming (OOP)
- GitHub
- Team Collaboration

EXPERIENCE

Full Stack Developer intern Stratcom Kampala, Uganda June 2024-August 2024

- Collaborated with senior developers to design code and test web applications using React.js for frontend and Django for backend
- Assisted in integrating RESTful APIs and managing state with React.js
- Participated in peer code reviews, contributing to improve code quality and adherence to best practices
- Supported the creation of responsive web design using HTML5 and CSS3
- Contributed to backend API development, focusing on secure data management using Django
